

# TRAINING MODULES

## ASSESSMENT OF SKILLS AND PROFICIENCY

- SH 01 Assessment of automobile, crane and material handling equipment driving skills
- SH 02 Assessment of HSE proficiency

## TRAINING OF THE VARIOUS ACTORS TO HOLD THEIR ROLE IN RISK MASTERING

- SH 03 Holding a safety meeting
- SH 04 Analyzing accidents using the Cause Tree
- SH 05 Workplace safety inspections and audit
- SH 06 Safety Induction for all activities: 7 Hazardous Energies.
- SH 07 Construction risks assessment
- SH 08 Dealing with deteriorated situations
- SH 09 Training E.S.A (Environment Safety Assistant)
- SH 10 Constructing an integrated hygiene, safety and environmental management system
- SH 11 Managing prevention: Mentoring (Risk management)
- SH 12 Prevention animator and adviser
- SH 13 Knowing and preventing occupational pathologies
- SH 14 Work rescue -first aid
- SH 15 Work rescue -first aid: REFRESHER
- SH 16 Use of a defibrillator
- SH 17 Fire-fighting level 1
- SH 18 Fire-fighting level 2
- SH 19 Evacuation team member
- SH 20 Introduction to the use of fire safety systems
- SH 21 Introduction to wearing self-contained breathing apparatus (SCBA)
- SH 22 Introduction to H2S (sulphite hydrogen)

## KNOWLEDGE OF THE RISK SYSTEMS MANAGERMENTS

- SH 23 Hunting out anomalies
- SH 24 Assessing risks
- SH 25 setting up permit to work
- SH 26 Raising awareness of the internal operation plan and emergency plan
- SH 27 Safety analysis - pre requisite risks analysis

## DEFENSIVE DRIVING

- SH 28 Defensive driving - light vehicle
- SH 29 Defensive driving – light vehicle - 4X4
- SH 30 Defensive driving - light vehicle - REFRESHER
- SH 31 Defensive driving – light vehicle - 4X4 – REFRESHER
- SH 32 Defensive driving: Raising awareness
- SH 33 Economical driving
- SH 34 Defensive driving of fork-lift trucks
- SH 35 Defensive driving of fork-lift trucks - REFRESHER
- SH 36 Defensive driving of mobile human platform lifts
- SH 37 Defensive driving of mobile human platform lifts– REFRESHER
- SH 38 Defensive driving of auxiliary loading cranes
- SH 39 Defensive driving of auxiliary loading cranes - REFRESHER
- SH 40 Defensive driving of mobile crane
- SH 41 Defensive driving of mobile crane - REFRESHER
- SH 42 Defensive driving of construction site machinery
- SH 43 Defensive driving of construction site machinery - REFRESHER
- SH 44 Defensive driving of bridge cranes
- SH 45 Defensive driving of bridge cranes - REFRESHER

## TECHNICAL RISKS

- SH 46 Chemical risks: operator level
- SH 47 Chemical risks: Management level
- SH 48 Assessing risks linked to chemicals
- SH 49 Environmental awareness-raising
- SH 50 Ergonomics of working conditions
- SH 51 Ergonomics and human reliability
- SH 52 Ergonomics and working equipments conception
- SH 53 Raising awareness of the risk of occupational deafness
- SH 54 Work on screen
- SH 55 Manual handling and postures awareness
- SH 56 Muscular-skeleton troubles due to recall work
- SH 57 Raising awareness of domestic risks
- SH 58 Personal protective equipments
- SH 59 Safety of work at height
- SH 60 Working on scaffolding
- SH 61 Erection and checking of scaffolding
- SH 62 Slings
